

## Date

23-10-2020

## Start time

14:00:00

## End time

14:47:11

## Meeting type

Team meeting

## Attendance

- Ratthamnoon Prakitpong
- Gianni Co
- Hassan Iqbal
- Kevin Yang

## Notes

- Impromptu meeting to talk about software system
- Discussed this system design over UML diagram
- Came up with classes relevant to each function in system
- Decided that using events to communicate between classes will be good for now
- Created issue tickets for new todos from this meeting
